

Alumiere Hinged Door

Yale Unity Slim Smart Lock

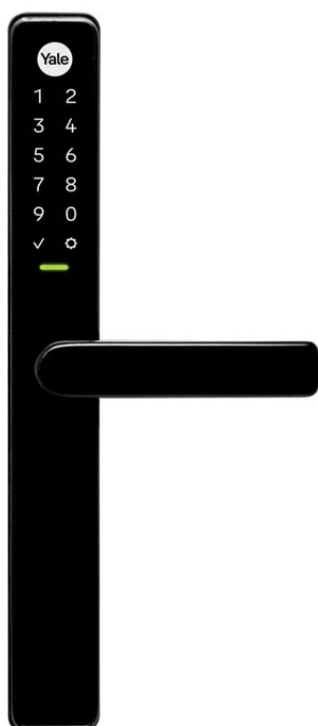

A SLEEK, KEYLESS LOCKING SOLUTION FOR MODERN HOMES

The Yale Unity Slim Smart Lock is a sleek, keyless smart lock that integrates with Stegbar's Alumiere Aluminium Hinged Doors. Its slim escutcheon design and streamlined profile complement contemporary aluminium door designs while maintaining a clean, architectural finish.

Engineered for Australian conditions, the Unity Slim features robust construction with a powdercoated diecast body and UV-tested components for long-term durability. When used with compatible hardware, the lock supports multi-point locking for enhanced security and sealing performance, particularly on larger door panels. Designed as a fully key-free solution, the Unity Slim provides a modern smart locking option suited to residential applications.
